2000 SASKATCHEWAN SPECIAL CROP MARKETING COMPANY SYNOPSIS

Last Update: February, 2000

Sustainable Production Branch, Saskatchewan Agriculture & Food
125 - 3085 Albert Street, Regina, Saskatchewan CANADA S4S OB1
(306) 787-4660

The following information was accurate as of February 22, 2000. Prices may change after this date.

Prices listed are for fixed price contracts and for No. 1 Canada grades of lentil, mustard and chickpea, No. 2 Canada or better grades of field pea and faba bean. Canaryseed specifications are variable.

Special crop Spot Prices: Current price information is available through computer linkage with a number of organizations, including STAT Publishing linked through the Saskatchewan Agriculture and Food Internet Home Page: Farm Business Management/Market Information/ FBMInet / Markets / Special Crop and Grain Company Bids

Canadian Grain Commission: Not all companies listed are bonded. Special crop producers can learn if their marketing company is licensed and bonded with the Canadian Grain Commission. This information is available from the Canadian Grain Commission in Winnipeg (204) 983-2789.
